DATA SUBJECT ACCESS REQUEST GUIDANCE

Please read before filling in the Subject Access Request Form

Which sections should I complete?

Section 1, Section 2, Section 3, Section 4 and Section 6 should be completed for all applications.

Section 7, Section 8 and Section 9 (Representative Details and Authority to Release Information to a Representative) should only be completed if the application is being made by a representative (i.e. someone other than the data subject themselves).

Section 3 (Proof of the applicant's identity) - If you do not have any of the forms of identity listed, we may in exceptional circumstances accept alternatives for consideration.

This form is designed to assist the process of making a subject access and, as a consequence, may speed the process up; but it is not mandatory, all subject access requests made in other formats will also be processed.

What information will help with the processing of my subject access request?

Identification of relevant records will be easier if you can provide any references issued by Titanic Brewery Co Limited.

If you cannot provide us with satisfactory proof of identity, your application will be rejected.

What information does Titanic Brewery Co Limited hold?

Please see our Privacy Notice at <https://www.titanicbrewery.co.uk/privacy-policy/> as to what information we may hold.

If you are an employee or applicant for employment, please see the specific Privacy Notice previously supplied to you (copies available on request).

Is there a fee payable?

There is no fee payable for making a Data Subject Access Request unless requests are manifestly unfounded or excessive, in which case we may refuse to act on the request, or charge a reasonable fee to provide the information.

You are entitled to one free copy of the personal data requested, but Titanic Brewery Co Limited may charge a reasonable fee for any further copies requested.

How long will it take to get my data?

Once we are satisfied that you meet the criteria for disclosure of data under the Data Protection Act, and have provided sufficient information, you should receive a response within one calendar month from the date that we accept your application for processing. In certain circumstances we may need to extend this time period by up to a further two months.

Records may be held in several different locations in paper and electronic formats. If you only require specific information and you clearly state what that is – for example a specific document or IT-only data – then you are likely to get a quicker disclosure.

The form includes a section for giving details if you need a disclosure by a certain date. No guarantee can be given that a disclosure will be completed by that date but we will endeavour to comply with reasonable requests for expedited action.

Can you refuse to give me my data?

If your request is manifestly unfounded or excessive, we are able to refuse to act on the request.

If the information you request reveals personal data about a third party, we will either seek that individual's consent before responding to your request, or we will redact third parties' personal data before responding. If we are unable to provide you with access to your personal data because disclosure would violate the rights and freedoms of third parties, we will notify you of this decision.

Applicable law may allow or require us to refuse to provide you with access to some or all of the personal data that we hold about you, or we may have destroyed, erased, or made your personal data anonymous in accordance with our record retention obligations and practices. If we cannot provide you with access to your personal data, we will inform you of the reasons why, subject to any legal or regulatory restrictions.
